

## A little travel pillow talk

**Dream Travel** pillow by Natura World is made of all natural materials – 100 percent antimicrobial and hypoallergenic – and mimics the feel of down and feathers. It's covered in unbleached cotton with a bright organic cotton bow to boot. \$15 at [www.NaturaWorld.com](http://www.NaturaWorld.com).

Whether you are driving, flying, hopping the rails or traveling no farther than the backyard hammock this summer, the right travel pillow can make your day – or night. Several manufacturers have added luxuries and easy-care shortcuts for the companion that can make a difference in a doze.

**Magniflex Comfort Plus** travel pillow was designed by a team of ergonomics experts for optimum neck and head support, no matter what position you get into. The cover is made of hypoallergenic Coolmax to keep you cool while you sleep, and the inside is Memoform. \$80 at [www.Magniflex.com](http://www.Magniflex.com).

**Travel Pillow** by Magniflex is designed in an elevated "U" shape in Memoform to embrace head and neck. Cover is Coolmax fabrics for cool, dry sleeping. \$73 at [www.Magniflex.com](http://www.Magniflex.com).

**Butterfly Pillow** by Hollandia looks like the flying beauty with a handle at each end. It's machine washable and available in more than 200 fabrics. \$15 at 888-432-2337.

**Critter Piller** kids neck pillow has a plush 100 percent polyester cover, is machine- or hand-washable and pill-resistant. It comes in a barnyard of other critter designs, including pigs, snakes, cats and pandas. \$12 at [www.Familyonboard.com](http://www.Familyonboard.com).
