

# Decorate

**Like fluorescent crayons**

Designer Karim Rashid created neon-bright beds in Electric Lime and Hot Magenta — to borrow Crayola vernacular. Even though the modern high-gloss beds look like an '80s flashback with side tables that swing out from the headboard reminiscent of the DeLorean in "Back to the Future, they contain iPod docking stations that are very 21st century.

■ The Glow Bed by Karim Rashid, \$23,000, [Hollandia International](http://Hollandia International), [www.hollandiainternational.com](http://www.hollandiainternational.com), 1-888-432-2337
