The Groove Bed

The Groove Bed

Description: The Groove Bed by Hollandia International This pop culture-inspired advanced sleep system features a built-in 150-watt speaker so you can get your groove on in bed. Its shape-conforming latex mattress features a Flexible Shoulder Zone, four-joint adjustability and a back-sliding system. Raise your head or feet for a great way to experience your favorite video games, cruise YouTube or watch movies from the comfort of your bed. New for 2010, it features a temperature-regulating 3D fabric, which is removable, fully washable and bed bug resistant. Available in a variety of colors and comes with a matching decorative pillow.

Price: \$4,999.00 to \$5,999.00
